

Ensuring Safety & Dignity: How to Decide when it is Time to Turn in the Car Keys

Join NeuroBalance Center, Barrington Area Council on Aging and the Barrington Police Department as we discuss safe driving!

Call to sign up today!

**** This presentation is FREE for current NeuroBalance Center Clients and their loved ones ****

Conversations about giving up driving can be challenging, as it involves a change in independence. However, prioritizing safety and maintaining dignity throughout the process is crucial when it comes to making this decision. Both you and your loved ones should be aware of the potential dangers of driving and understand that there are solutions available. Join us as we discuss safe driving with Officer Smith of the Barrington Police Department and options through Barrington Area Council on Aging regarding social support and transportation.
