

Come Walk With Us!

Free to
attend!

Did you know that people who walk with an animal are more likely to meet physical activity recommendations? That is why Pet Partners, the nation's premiere national therapy organization, created Walk With Me™, a special initiative about walking for better health. NeuroBalance Center Clients are encouraged to join the SOUL Harbour Ranch Animal Therapy Program team as we walk together to promote physical well-being! Animals participating are trained to walk beside wheelchairs, walkers, rollators, or provide assistance to those who need a little support while they walk. Sign up today to reserve your spot!
